

WHY DO I SUPPORT BAG&BAGGAGE?

I am honored to sponsor Bag&Baggage Productions because of their dynamic approach to live theatre. B&B makes theatre accessible through adapting classic scripts, often using some of the playwright's own primary source materials. They make theatre affordable, and have a dedicated resident ensemble of professional actors who work well together and contribute to the development of the production.

Artistic Director Scott Palmer, in programming a season of classic plays, always finds original approaches and fresh ways of presenting important ideas.

This is a young company that is increasingly establishing its strong sense of style and attracting audience members from an ever broadening area.

I'm proud to support Bag&Baggage, and encourage you to join me, particularly now as B&B is working to secure their new, permanent home!
