

Back for round two and ready for BIGGER and BETTER!

We are thrilled to announce and invite the community to the 2nd Annual Hillsboro Film Festival!

Our mission is to gather filmmakers, film lovers, and culture seekers in the City of Hillsboro to celebrate the art of storytelling on the screen.

This year's event was so successful that we **SOLD OUT** of tickets before we even announced the winning films and had to open another night which **SOLD OUT** in mere days! We learned some amazing lessons from the first event but the biggest one was that the community of Hillsboro loves filmmakers and artists from across the world want to see what our little city has to offer!

The 2nd Annual Festival will take place from **May 30 - June 1, 2025!** Our hope is to be in a number of venues and include as many of the local businesses in the festivities as possible through innovative marketing initiatives, special gathering events, and so much more.

We hope you will review our sponsorship options and consider joining us in building this world-class event that will support the positive growth of Downtown Hillsboro, the Arts & Culture District, and our city at large.
